Student Comments:

**Knowledge of Subject:**

- Very well connected and will to share that
- Very knowledgeable
- Was experience in numerous aspects of the industry-great story teller

**Prepared for Class:**

- Yes

**Presentation Effectiveness:**

- Good stories but weighted toward carrier.
- Very interactive
- Yes and informative
- Very
- Entertaining/enthusiastic

**Content was Helpful:**

- Best value for minutes spent
- Minimal slide presentation was a great exercise and to the point. Used as outlined-awesome job!

**Suggestions:**

- Hope you can expand your So. Cal specific curriculum
- Great class. Negotiation was good practical experience
- Good
- Go Italians!
- Unorthodox, but good.
- Loved the conversation/give and take format using classmates experience as applies to the subject. Learned much more breaking out into groups with shipper and carrier exercise rather than being read slides.
- Thank you for a great class. Would have liked to have gone through the Bills of Lading in more detail.
- James was knowledgeable and informative. Good job! The exercises “shipper and carriers” was great!
- Great presentation
- Great background.
